

001. Atomic Habits

by James Clear

5 Core Concepts — Quote-Style Paraphrases

1. “Small improvements compound: tiny changes repeated consistently can create remarkable results.”
2. “Design your environment so good habits become obvious and easy, while bad habits become difficult.”
3. “Focus on becoming the kind of person who naturally performs the desired behavior, not only on reaching a goal.”
4. “Build habits through a clear cue, an attractive craving, an easy response, and a satisfying reward.”
5. “When progress feels slow, keep the system running—the power of habits often appears after a long period of accumulation.”
