

Ikigai — Action Workbook

Héctor García & Francesc Miralles • Convert ideas into actions

Instructions: Write specific answers. Choose fewer actions and actually execute them. Review after 7 and 30 days.

1. What I Love

Activities that energize me:

2. What I Am Good At

Skills/strengths others rely on me for:

3. What Is Needed

Problems I genuinely care about helping solve:

4. What Can Sustain Me

Ways these strengths/needs could create sustainable value or income:

Ikigai — Action Workbook (Execution)

Turn the concepts into a repeatable personal system.

5. Flow Audit

When do I lose track of time because I am deeply engaged?

Activity: _____

Conditions: _____

6. Ideal Repeatable Day

Design a realistic day you would be happy to live repeatedly.

Morning: _____

Work: _____

Relationships: _____

Learning/health: _____

7. 7-Day Experiment

Add one small action that increases purpose, flow or connection.

Action: _____

When: _____ Result: _____

30-Day Review

What did I actually change? What result did I see? What will I keep, stop or change?
