

Zero to One — Action Workbook

Peter Thiel • Convert ideas into actions

Instructions: Write specific answers. Choose fewer actions and actually execute them. Review after 7 and 30 days.

1. My 0→1 Opportunity

What could be created rather than merely copied?

2. The Secret

What important truth about a customer/problem do I believe others underestimate?

3. Narrow Beachhead

Who is the smallest specific customer group I could dominate first?

Customer: _____

Why them: _____

4. 10× Value

How could my solution be dramatically better/different for this niche?

Zero to One — Action Workbook (Execution)

Turn the concepts into a repeatable personal system.

5. Moat

- Proprietary technology/data.
- Network effects.
- Cost/scale advantage.
- Brand/distribution.
- Unique expertise or access.

6. Distribution

How exactly will the first 100 customers discover and adopt this?

Channel: _____

First 10 customers: _____

Repeatable mechanism: _____

7. 30-Day Experiment

What can I test in 30 days to prove/disprove the biggest assumption?

Hypothesis: _____

Test: _____

Success evidence: _____

30-Day Review

What did I actually change? What result did I see? What will I keep, stop or change?
