

Rich Dad Poor Dad — Revision Booklet

Robert T. Kiyosaki • 2-page rapid revision • Concepts → Mental model → Recall questions

30-second mental model: Read the bold chain below, then try to explain the book without looking at the page.

Earn → Control Spending → Buy Assets → Cash Flow → Reinvest → Freedom

CORE CONCEPTS

- Think in cash flow, assets and liabilities.
- Asset = something that tends to add cash flow/value; liability = something that tends to consume cash flow.
- Income can rise without wealth if lifestyle spending rises too.
- The 'rat race' is dependence on earned income plus rising expenses.
- Build the asset column to increase future cash flow and options.

CORE CONCEPTS — CONTINUED

- Financial education: cash flow, P&L, balance sheet, taxes, investing.
- Work to learn valuable skills: sales, communication, leadership, accounting, investing.
- Use surplus to acquire/build productive assets.
- Financial freedom comes from increasing productive cash flow relative to expenses.

Rich Dad Poor Dad — Active Recall

Close the book. Answer these from memory. Then revisit only the concepts you missed.

1. What is adding to my asset column?

2. Where is my cash flow leaking?

3. Which financial skill would most increase my future earning power?
